

[Red rectangular box]

[Red rectangular box]

--	--	--	--	--

The image shows a grid-like table structure. The top portion of the grid consists of several rows with some shaded cells. Below this is a large white grid with a vertical margin on the left side. A single row in the lower portion of this white grid is highlighted with a red border. Below the white grid is a row of shaded cells. A small, empty grey box is positioned below the grid, centered under the 11th column from the left.
